

PUBLIC WORKS OPEN HOUSE – MAY 20TH

In celebration of Public Works Week 2017, the Village of Huntley invites you to its Public Works & Engineering Department Open House on Saturday, May 20th from 10:00 am until noon at the main Public Works facility located at 11000 Bakley Street. Get a behind the scenes look at the skills, tools and equipment required to maintain the Village. The event will include touch a truck, equipment displays, demonstrations and light refreshments.

In conjunction with the open house, the annual public meeting will be held at 10:00am at the Public Works facility located at 11000 Bakley Street as required by the Illinois Environmental Protection Agency's General National Pollutant Discharge Elimination System (NPDES) Permit for Discharges from Small Municipal Separate Storm Sewer Systems.
