Huntley Historic Preservation Commission  
 May - Look at Local History Month  
 Architectural Scavenger Hunt

**Important Note:** All Architectural Features can be seen from the public sidewalk – Please respect property owner’s privacy and do not trespass – Thank you.

Place the “letter” from the *Address Table* in the space corresponding to the photo of the architectural feature(s) on the reverse side of this page and the architectural descriptions below.

**ARCHITECTURAL FEATURES TABLE**

1. \_\_\_\_\_ *bargeboard* (pre 19c.) *vargeboard*, *vergeboard* - One of a pair of slopes boards at the edge of a projecting eave at a gable end; replaces or covers on of the rafters of a barge couple, often decoratively carved or scrolled.
2. \_\_\_\_\_ gabled central projection with *brackets* at eaves; decorative *quatrefoil* within circular framework with peak of gable; pairs of 2 over 2 segmental-arched windows with *pedimented crowns* common in *Italianate* romantic house styles
3. \_\_\_\_\_ centrally-located *gable dormer* with flared eaves typical of *Foursquare Prairie* style architecture
4. \_\_\_\_\_ *finial* – pointed ornament at peak of roof; hipped-roof dormer, Palladian window (See Item 12. that follows)
5. \_\_\_\_\_ *cresting*, *roof crest* – decoration in the form of a series of ornate, pointed shapes located at the top of a parapet or roof ridge
6. \_\_\_\_\_ doorway – twelve panel glazing (windows) and relatively simple squared *cornice* framing
7. \_\_\_\_\_ *porte cochere* covered area over driveway at a building entrance
8. \_\_\_\_\_ bay window projection supported by decorative *brackets*; single (clear) *light* and *transom* (stained-glass) panes with *pent roof cornice*
9. \_\_\_\_\_ rounded porch featuring Doric, Roman Tuscan, unfluted columns with squared capital (top) and base; turned wood balustrade between the upper and lower railings
10. \_\_\_\_\_ *double-hung window* with *one-over-one light* configuration and decorative *pedimented crown*
11. \_\_\_\_\_ doorway - *dentils* (tooth-looking molding feature) running below the decorative *cornice*, single *light* (individual pane of glass) and single-inlaid *panel* at bottom
12. \_\_\_\_\_ decorative *bargeboard* gable end treatment
13. \_\_\_\_\_ *Palladian window* with a central *fanlight* (arched window) flanked by two rectangular windows; sunburst-fan gable-end treatment
14. \_\_\_\_\_ second story inset *dormer* porch with *tapered piers* typical of the Craftsman style.
15. \_\_\_\_\_ *fish-scale shingle* gable end treatment; round decorative frame and four keystone elements
